## Penico Bottom Plate Dovetail Profile Gauges

The Bottomplate Dovetail Profile Gauge is used to inspect the dovetail profile of the neckring.

The gauge has a Go & a No Go profile.

The dovetail is correct when only the Go side passes over the dovetail profile.

### I S Bottomplate Dovetail Profile Gauges

Dovetail Height 9.63 / 9.68

Size	Pinch Diameter	Gauge Number
2"	34.92 / 34.95	191-PG-204
